JanperEdge®

Janper is an Australian owned family company with over 50 years experience in the cabinet making industry.

Design, production and quality assurance systems are assessed regularly with on-going training and updating of systems to maintain the highest calibre of finished product that has made Janper a leader manufacturer in the industry.

Janper's range of doors expand daily being limited only by our customer's requirements or imagination. JanperEdge® doors and panels are used successfully in both domestic and industrial applications such as restaurants, schools, offices and in particular kitchens.

If you are looking for the best quality at a lower than expected price, look no further than JanperEdge® doors.

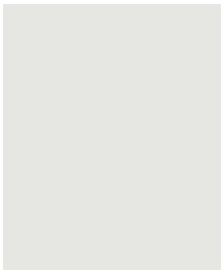

We guarantee it.*

* Our policy is to use the finest quality materials and manufacturing processes and as part of our ongoing commitment to you; Janper Pty. Ltd. will unconditionally guarantee your JanperEdge® doors against faulty materials and manufacture for a period of 7 years from the date of installation by the original owner of the dwelling in which the door/s were first installed with a door from the current range.

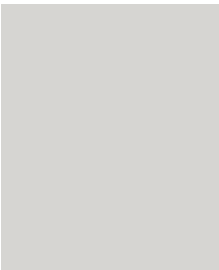

Janper Pty. Ltd. reserves the right to change any specification, design, style or colour on offer at any time. Actual availability should be checked at the time of ordering.
